If you are coming by plane or other means and you do not reach the EOI before buses leave Friday morning at 11:45 a.m.:

The Airport is 40 km away (through M-40 and then M-501). The fare could go as high as €50, or more, and traffic is expected to be heavy on Friday June 30 from 14:00 pm onwards.

If you are not going to arrive at the EOI before the buses leave at 11:45 it might be better to take the bus to downtown Madrid (Destination: Plaza Colón). Once there you should ask for the train station of Recoletos (200 meters away, underneath street named 'Paseo del Recoletos'). Buy a ticket to go to 'Aluche' Station. Then take any train going to 'Atocha' Station (just one stop). Then change train to Line C-5. After 1 station you will be in 'Aluche'. Leave the train and ask for a taxi to go to Boadilla del Monte - Ciudad Financiera Grupo - Entrada B - Centro de Formación El Solaruco. Print the map, give it to the taxi driver for him to choose M-50 or M-501, depending on the traffic.

If you are not coming from the airport, go to Train Station 'Atocha' and then follow the same route.

Please, do not leave luggage, cameras, mobile phones unattended in stations!

Access

The Corporate Training and Development Centre (CTDC) will always be accessed via Entrance B of the Santander Group City (SGC), located in the area around the El Solaruco complex.
